

>> NEW BIBLE STUDY PROGRAM ANNOUNCED

Joan Murray Ministries announces "Winning in the Battles of Life Bible" study, happening Friday, Nov. 30 and Saturday, Dec. 1 at Destiny Through Christ Church in McAllen, Texas. The two-day Bible study will cover topics such as overcoming the traps of the enemy and victory in the midst of the battle, among others.

This study will be taught by Joan Murray, who has been teaching the Word of God for 19 years. She is an ordained minister, author and present Stephen Ministry Leader at Lakewood Church in Houston, Texas.

Joan received the Lord into her life at the age of 12, quickly developing a love for God and for the things of God.

Soon, this passion led her to study the Bible's history, leading her to teach the word of God in Bible studies, seminars, and workshops; as well as training, counseling, and praying for others through intercessory prayers. She was inspired to pursue this passion in the teaching ministry after a Bible teacher asked her to teach a Bible class. This sparked an interest in Joan, allowing her to discover the gift that God had put in her, which would lead to God's purpose for her life.

Ever since Joan discovered that her gift was in intercessory prayer, she has been interceding for people, creating in her a heart of compassion and a desire to see people whole, healed, and set free by the power of God.

"God has provided an armor and a way to be victorious in the midst of

every thing people face. This Bible study was created to show people that they were created by God to be conquerors and winners in every battle of life," Joan explained.

She will offer four sessions, which will be divided into two days. Session I and II will commence on Friday at 7 p.m. with praise and worship led by upcoming Christian artist LaShaun Chaney from Houston, Tx., and will be accompanied by the DTC worship team. The public will be able to learn more about what battles of life they are in and who is warring against them. They will also learn how to overcome seven traps of the devil.

On Saturday, session III will begin at 10 a.m. and session IV will start at 2 p.m. These two sessions will teach the public more about God's armor, how to

dress in the armor, and how to stand fully covered and be prepared for any situation that may come against them. Praise and worship will feature LaShaun Chaney and the DTC worship team.

The day will be filled with an atmosphere of praise and worship and an innermost experience with the Lord.

"Come expecting a word from God, which will give you insight and set you free to live like the champions God created you to be," Joan said.

It will take place at Destiny Through Christ Church located on 3219 N. McColl Rd. McAllen, TX 78501. Admission is free. To register, please contact Elva Garza at (956) 358-9418 and for more information on Joan Murray Ministries please visit www.JoanMurrayMinistries.org.
